- **Raise hand tab: The raise hand function may be used to indicate that you wish to make a live intervention.**
- **Sharing documents: This function is enabled ta facilitate sharing of documents.**
- **This meeting is being recorded. The recording of this event together with copies of the presentations, meeting agenda, photos etc. will be made available on a designated link.**

Language Interpretation

- There will be simultaneous interpretation available for 6 languages : Arabic, Chinese, English, French, Russian and Spanish.
- Due to the functionality of zoom, interpretation will only be available during plenary sessions.
- To listen to an interpretation click on the interpretation tab at the bottom of the screen for the preferred language.
- Please ensure that you select the “Off” channel if you are not listening to any language interpretation.

Breakout Session

- Participants will be assigned to breakout rooms on Day 2 and arrangements are being made to have bilingual/trilingual facilitator/rapporteur to facilitate discussions if required
- Please follow the facilitators during the breakout sessions
- Kindly do not leave or change your assigned room. Facilitators/Rapporteurs may do so in the interest of monitoring the discussions in the different groups
- Participants may interact with language interpreters using the Chat function if any questions and clarifications are required.
