# ZOOM Guidelines

- This Zoom link is intended **exclusively for registered participants**.
- For the best webinar experience, participants are **strongly encouraged to use the Zoom desktop application** on a computer. Participation via mobile phones or tablets is discouraged, as some features may be limited.
- To ensure smooth audio and video throughout the webinar, please use a stable internet connection with a **recommended speed of at least 15 Mbps**. You may check your internet speed at <https://fast.com/>.
- Please **keep your microphone muted at all times**, except when you are invited to speak or wish to make an intervention.
- For easy identification during the webinar, please rename your Zoom display name using the following format: **Organisation/Company – Name** (e.g. **INFOFISH – Jane Doe**).

# ZOOM Guidelines

- **Chat box:** The chat box may be used to communicate with all participants or privately with the organisers. Please note that the chat is not continuously moderated. Participants are advised **not to click on any suspicious links** that may be posted.
- **Q&A :** Use the Q&A feature if you wish to ask a question during the Q&A session. Moderator will forward the question to specific speaker and panelist.
- **Recording:** Please note that all webinar sessions will be recorded.
